Transmittal Letter

ASSISTANT COMMISSIONER FOR PATENTS  
Washington, D.C. 20231

Sir:

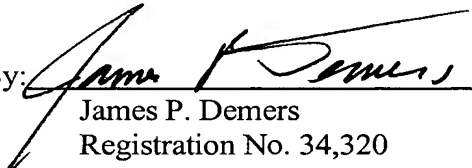

Transmitted herewith are the claims filed in connection with international application No. PCT/GB00/02616, as amended under Article 19 of the Patent Cooperation Treaty.

A review of the document copies in our file suggests that these claims may not have been enclosed with the above-referenced application under 35 USC 371 when it was filed on January 9, 2002. Although the Article 19 claims were cancelled by a preliminary amendment filed at that time, they do constitute the claims upon which the preliminary amendment is based. Applicants submit them herewith for the sake of completeness of the record, and in the event the Examiner might have need to refer to them.

Respectfully submitted,  
MORGAN & FINNEGAN
